EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech CSE	Shri Ramswaroop Memorial University, Lucknow	7.08 CGPA	2021-Present
Senior Secondary	The City Montessori School Basti /CBSE	73.69	2020
Secondary	SARLA INTNL ACADEMY BANSI ROAD BASTI UP/CBSE	7.4 CGPA	2017

EXPERIENCE

PROJECTS

- **E-Commerce Website | Link**   *Dec 2023 - Mar 2024*
  Tools:ReactJS, CSS NodeJS,Express.js,Redux, MongoDB,
  – Developed an E-commerce Fashion Store using React.js, Node.js, and MongoDB, catering to Cloths Shoppers.
  – Utilized React.js for frontend development, implementing dynamic user interfaces and ensuring seamless user experience. - Leveraged Node.js and Express.js for backend development, implementing RESTful APIs for communication with the frontend.

- **TO-DO List| https://github.com/zeeshan8604/To-do-App**   *june 2023-July2023*
  Tools: HTML,CSS,Javascript, Nodejs, Express.js, EJS, MongoDb
  – Designed and implemented frontend user interface using HTML, CSS, and JavaScript, ensuring intuitive and responsive user experience.
  – Utilized Node.js and Express.js to build the backend server, implementing RESTful APIs for handling CRUD operations. - Integrated EJS templating engine to generate dynamic HTML content based on server-side data, enhancing scalability and maintainability.

- **Porfolio Website| https://zeeshan8604.github.io/web.portfolio/**   *sep2023- oct2023*
  Tools: list of tools used in project
  – Designed and developed a personal portfolio website using React.js and CSS.
  – Created sections to showcase projects, skills, experience, and a contact form for inquiries. - Received positive feedback from peers and professionals, leading to increased visibility and networking opportunities.

SKILLS & INTERESTS

- **Programming:** C++, JavaScript , Python
- **Frameworks :** Reactjs,ExpressJs, Nodejs, Ejs
- **Databases:** MongoDB, MySQL
- • **Dev Tools::** Visual Studio Code, Git , Postman,

POSITIONS OF RESPONSIBILITY

- **LEAD** Led the College Project Group   *January 2024- may 2024*

ACHIEVEMENTS

- Participated in TCS CodeVita and got under 4000 rank
- 5 star in C++ on HackerRank
- 500+ question on leetcode , geekforgeek and codechef
- Cerfication Couser of C++ on Coursera
- Expert level On codeStudio (CodingNinjas)

CERTIFICATIONS

- Coursera : certificate for c++
- HackerRank : 5 star in c++ Programmig language
- CodingNinjas: Badges in Data Structures and Algorithms concepts, including: Graphs,Dynamic Programming
